

2025-2026 CREATE U.S. OPEN Championship Asia-Pacific Tournament Incheon-South Korea

To all relevant institutions and schools:

To promote the development of youth robotics education, stimulate teenagers' interest in science and technology application learning, enhance their scientific literacy and technological innovation capabilities, showcase their robotics competition skills, and facilitate technological exchanges among Chinese youth, the "2025-2026 CREATE U.S. OPEN C.R.C. Asia-Pacific Championship - Incheon, South Korea", sponsored by the CREATE Foundation, will be held in South Korea on February 6, 2026. Hundreds of outstanding teams selected from the Asia-Pacific region will participate in the event. The relevant matters are hereby notified as follows:

I. Event Organizers

Hosted By:

CREATE U.S. OPEN Asia-Pacific Organizing Committee

Organized By:

Shanghai Fenghe Chuangge Information Technology Development Co., Ltd.

Co-organized By:

EASTJIN INTERNATIONAL KOREA,

Creative Robotics Association (Hong Kong),

Supported By:

Shanghai Kun'er Education Technology Co., Ltd.,

Guozhi Zhiling Talent Technology (Xiong'an) Co., Ltd.

Supervised By:

"Zhixin Cup" National Artificial Intelligence Robotics Innovation Competition

Organizing Committee,

International Society for the Study of Information (IS4SI)

Arena Supported By:

Yonsei University Incheon International Campus

II. Event Time/Venue

Time: February 6, 2026 - February 10, 2026

Venue: Incheon, South Korea (Yonsei University Incheon International Campus),

85 Songdo Science Road, Yeonsu-gu, Incheon Metropolitan City, 21983

III. Event Content

3.1 Competition Items: 2025-2026 Season (VEX Series)

VIQRC "Mix & Match" (Elementary School Group, Middle School Group)

V5RC "Push Back" (Middle School Group, High School Group)

3.2 Award Settings

This championship includes ranking awards, special review awards, and league champion, runner-up, and third-place awards (CREATE X only has ranking awards). The team champions and all-around award winners of VEX events and CREATE events (excluding CREATE X and CREATE DRONE) will gain qualification to advance to the 2026 CREATE U.S. OPEN (United States).

IV. Participation Requirements

4.1 VEX Events (Specific event information will be announced on the U.S. OPEN official website: <https://events.create-found.org/>)

4.1.1 Teams from China (including Hong Kong and Macau) shall register on the U.S. OPEN China official website: <https://support.createfound.cn/>
4.1.2 Teams outside China (including Hong Kong and Macau) shall register on the U.S.

OPEN U.S. official website: <https://events.create-found.org/>
4.1.3 Registration Period: From the date of document issuance to December 31, 2025
4.1.4

Notes: a) When filling in the registration information, please ensure the accuracy of the participating team name, number and names of team members, and coach's name. No changes will be made after the review. b) During the competition, adults are not allowed to touch the robots. All interactions with robots must be completed by students. Staff will supervise and inspect the venue. The first violation will result in a warning; the second

violation will be photographed for record, and the team will be disqualified from the review of individual awards.

4.2 CREATE Events (Specific event information will be announced on the U.S.

OPEN official website: <https://events.create-found.org/>)

4.2.1 Register a team number on the U.S. OPEN website:

<https://events.create-found.org/> 4.2.2 Teams from China (including Hong Kong and Macau) shall register on the U.S. OPEN China official website:

<https://support.createfound.cn/> 4.2.3 Teams outside China (including Hong Kong and Macau) shall register on the U.S. OPEN U.S. official website:

<https://events.create-found.org/> 4.2.4 Registration Period: From the date of

document issuance to December 31, 2025 4.2.5 Notes: a) Register a team

number on the U.S. OPEN website: <https://events.create-found.org/> (Note:

Each CREATE event has a unique initial letter for team numbers: J.R. starts with

C, OPEN starts with O, DRONE starts with D, and X starts with G). b) When filling

in the registration information, please ensure the accuracy of the participating

team name, number and names of team members, and coach's name. No

changes will be made after the review. c) During the competition, adults are not

allowed to touch the robots. All interactions with robots must be completed by

students. Staff will supervise and inspect the venue. The first violation will result

in a warning; the second violation will be photographed for record, and the

team will be disqualified from the review of individual awards
